Dear colleagues,

We are quietly proud that KMJ becomes the first indexed medical journal in the world to open with a paper from a medical student who learns in a war - torn country but comes to Kauvery for an immersion in its healing waters.

Allfrid Rajkumar publishes his study on Homocysteine and Stroke, done at Kauvery Specialty Hospital, Trichy, mentored by Dr. Jose Jasper.

In this connection we also pay tribute to Drs Dominic and Ivan who had mentored Dr. Stephy George , DNB Int Med PG, to do her thesis on the same subject , which was the FIRST DNB dissertation we published in Kauverian, in March 2021

We follow with THREE major Clinical Audits- two on Radiation and Surgical Oncology and one on Tele- Diabetes. The authors are well known to you- Drs Sathish, Surendrakumar and Gowri.

There is a Blitzkrieg in Pediatric Interventional Cardiology going on at Maa Kauvery!

Dr. Vinothkumar publishes his latest success in saving an infant. We have requested him to publish ALL his work.

Paraquat kills! FOUR harrowing loss of young lives to this deadly poison are reported as a Case - Series from Tennur by Princy et all who file the first report on a Detection Test of Paraquat in urine

Dr. Arjun Aravindh has published from Nellai two enigmatic case series on Surg GI.

Dr. Maniraj presents three patients on whom ECMO played a major role in their management, one of who was on Transport ECMO enroute to Vadapalani

EIGHT stunning case reports follow , from Trichy, Salem , Nellai and Chennai.

Among them is Shirline and Vignesh's " Eisenmenger's Syndrome, the FOURTH patient towards our GUCH( Grown Up Congenital Heart Disease ) e- registry.

Their next initiative shall be the "Inherited Heart Disease" e- Registry.

TWO landmark reviews appear here. Dr. Deepak Kumar reports on the Dedicated GI Bleeding Centers initiative from Chennai that shall be established in all units.

Our Post Graduate Center and GMD' s team together present a sweeping review on " Academics at Kauvery".

We are well on our way to becoming the 'Kauvery Universe- City!'

"When time pauses, Medicine listens" is a moving tribute from Samyuktha, Clinical Pharmacist from Trichy Group to Parkinson's Disease, it's pioneering neuro- research scientist, Dr. Oliver Sachs and to a unique young actor- patient from Holly wood.

We close with arresting, crystal clear, diagnostic and educational images in Radiology from our regular and incredibly enthusiastic scribe, Dr. Meenakshi Paramasivan, from Nellai.

Do read , and publish your work, in the KMJ .

We are here to propel your work into the cyberspace and park it there for ever, till the End of Time
